

A NEW DIRECTION FOR CANADA'S BANK NOTES

#vertical10

On March 8, 2018, the Bank of Canada **unveiled** the new \$10 bank note featuring Viola Desmond.

It will be the first regularly circulating bank note to feature a Canadian woman as the portrait subject and the first vertically oriented note issued by the Bank of Canada.

This new \$10 note will be rolled out gradually, starting late this year, and will circulate alongside the other \$10 bank notes already in circulation.

This note has bold **security features** that are easy to check and difficult to counterfeit. It has some enhanced security features compared with the notes in the current series.

Remember: bank notes are only secure if you check them.
